

About

- MKH is a **private equity firm founded by two entrepreneurial families and professional investors** with over 50 years of combined experience.
- MKH offers a strong combination of **family capital** and **large-scale private equity** expertise and resources.
- As **flexible investors**, we work hard to find the best structure for each investment and do not use a "one size fits all" approach.
- We are a **team of 15+** professionals, headquartered in Miami, FL with an office in Panama City, Panama.

Model

We actively partner with business owners and leading management teams **to cultivate growth** of niche industry players and create stronger companies that become regional/national leaders.

DNA

- Backed by families, powered by professional investors.
- Flexible, straightforward and supportive partners.
- Prioritize people, culture and values.
